TREES

"I think that I shall never see
A poem lovely as a tree.
A tree whose hungry mouth is pressed
Against the earth's sweet flowing breast;
A tree that looks at God all day,
And lifts her leafy arms to pray;
A tree that may in Summer wear
A nest of robins in her hair;
Upon whose bosom snow has lain;
Who intimately lives with rain.
Poems are made by fools like me,
But only God can make a tree."

DR. LEROY HOOD

B.S.; A.B., Kansas State Teachers College, Emporia, Kansas.
M. Ed., University of Colorado, Boulder, Colorado.
Ed. D., University of Kansas, Lawrence, Kansas.

# Dedication

During the past five years a great emphasis upon scholatic achievement has been evident in the Garden City Schools; the quality of the faculty has improved. The person who has had a very definite part in these changes which have made Garden City High School rank among the finest institutions of secondary education in the state is Dr. Leroy E. Hood. As a result of his leadership and guidance, Garden City High School has achieved much of the prominence which it now has.

With pride, affection and gratitude, the members of the 1961 Buffalo Staff dedicate this book to Dr. Leroy E. Hood.

BOARD OF EDUCATION: SEATED: Left to Right, Andrew Erhart, President; Lloyd Haag, Helen Reed, Secretary; Helen Dale, Lorna Stoner. STANDING: Dr. Leroy Hood, Superintendent of Schools; John Burnside, Paul Masoner.

# Foundation for Education

Without the Board of Education, the school would be as a tree without a trunk. It would be unable to grow, to develop, and to improve in its purpose. This body, composed of loyal, interested parents, teachers, and citizens of the community is undoubtedly the bulwark of ingenuity in performing many tasks. Such an important branch of the school system must not be slighted; for within this body lies the complete functioning power of the school system. The students indeed owe great respect to a body so active in adhering to the aid and the support of Garden City High School.

Dr. Hood does many things in addition to serving as Superintendent of Schools. Here we see him meeting with Bob Jones, Student Council President, Tom Saffell, High School Principal, Ross Blackford, Rotary Club, Wayne Taylor, Boy Scout Executive, and Chief Geisler, to make plans for a Halloween party for the youth of Garden City.

# Mr. Jellison Pays Tribute

The dedication of the 1961 Buffalo to Dr. Hood is a fine tribute to the job he has done for education in Garden City for the last five years. His continuous concern for every facet of the school system has paid off in a first class educational experience for the children and the youth of Garden City.

Many things have contributed to his success. But one attribute stands above all of the rest as the key to his leadership. It is his sincere concern and interest in the welfare and activities of those working with him. He adds the personal touch to educational administration through becoming acquainted with not only his teachers and administrators but also with their families.

I am proud to have worked with him. My only regret is that this association was not for a longer period of time.

Bill Jellison

A and B Team cheerleaders, with sophomore football players, look on as Dr. Hood leads the student body in their ever-popular yell, "Rock 'em, Sock 'em."

# Mr. Saffell Pays Respect

It is indeed fitting that the 1960-1961 yearbook be dedicated to Dr. Leroy Hood. I have worked with Dr. Hood only a few months, but in those few months I have found that he is one of the top educators of the Mid-West. He has done a magnificent job with the schools of Garden City, and the patrons of the Community should be proud of his efforts and accomplishments. This community takes a back seat to none in its educational program.

Dr. Hood is a dedicated man who wants the best for the young people in this community. I join the yearbook staff members in a salute to this fine man.

Tom Saffell

# A Day With The Good Doctor

For nearly an hour he had been writing a constructive article about the junior high-junior college improvement bond issue. Someone had just entered his office and now stood in front of his large desk; he cleared his throat and said, "Good morning, sir. Would you please sign this requisition?" It was one of the coaches with a requisition for seven rolls of tape and one athletic protective mouthpiece. After signing the requisition, he made a note on the memo pad in front of him as a reminder that the elementary school principals expected him at the meeting that afternoon. Also, he must attend the Board of Education meeting that evening.

His writing took some minutes more. When he had typed the bond issue article for the city paper, he made several telephone calls and left his office.

He drove to Georgia Matthews Elementary School. This school was one of the two new grade schools that had been part of his work. The other school was Jones Elementary School which had been constructed after the separation of the junior college from the high school. He talked with the principal of the school, paused at several of the classrooms, and returned to his office in the high school building.

A book salesman was waiting to speak with him. He talked with the salesman for approximately one-half hour. Next, the head maintenance man came into his office, and the doctor answered several of the man's questions. They were interrupted by a telephone call from an irate mother, with whom he talked for several minutes. The maintenance man had one more inquiry and then left.

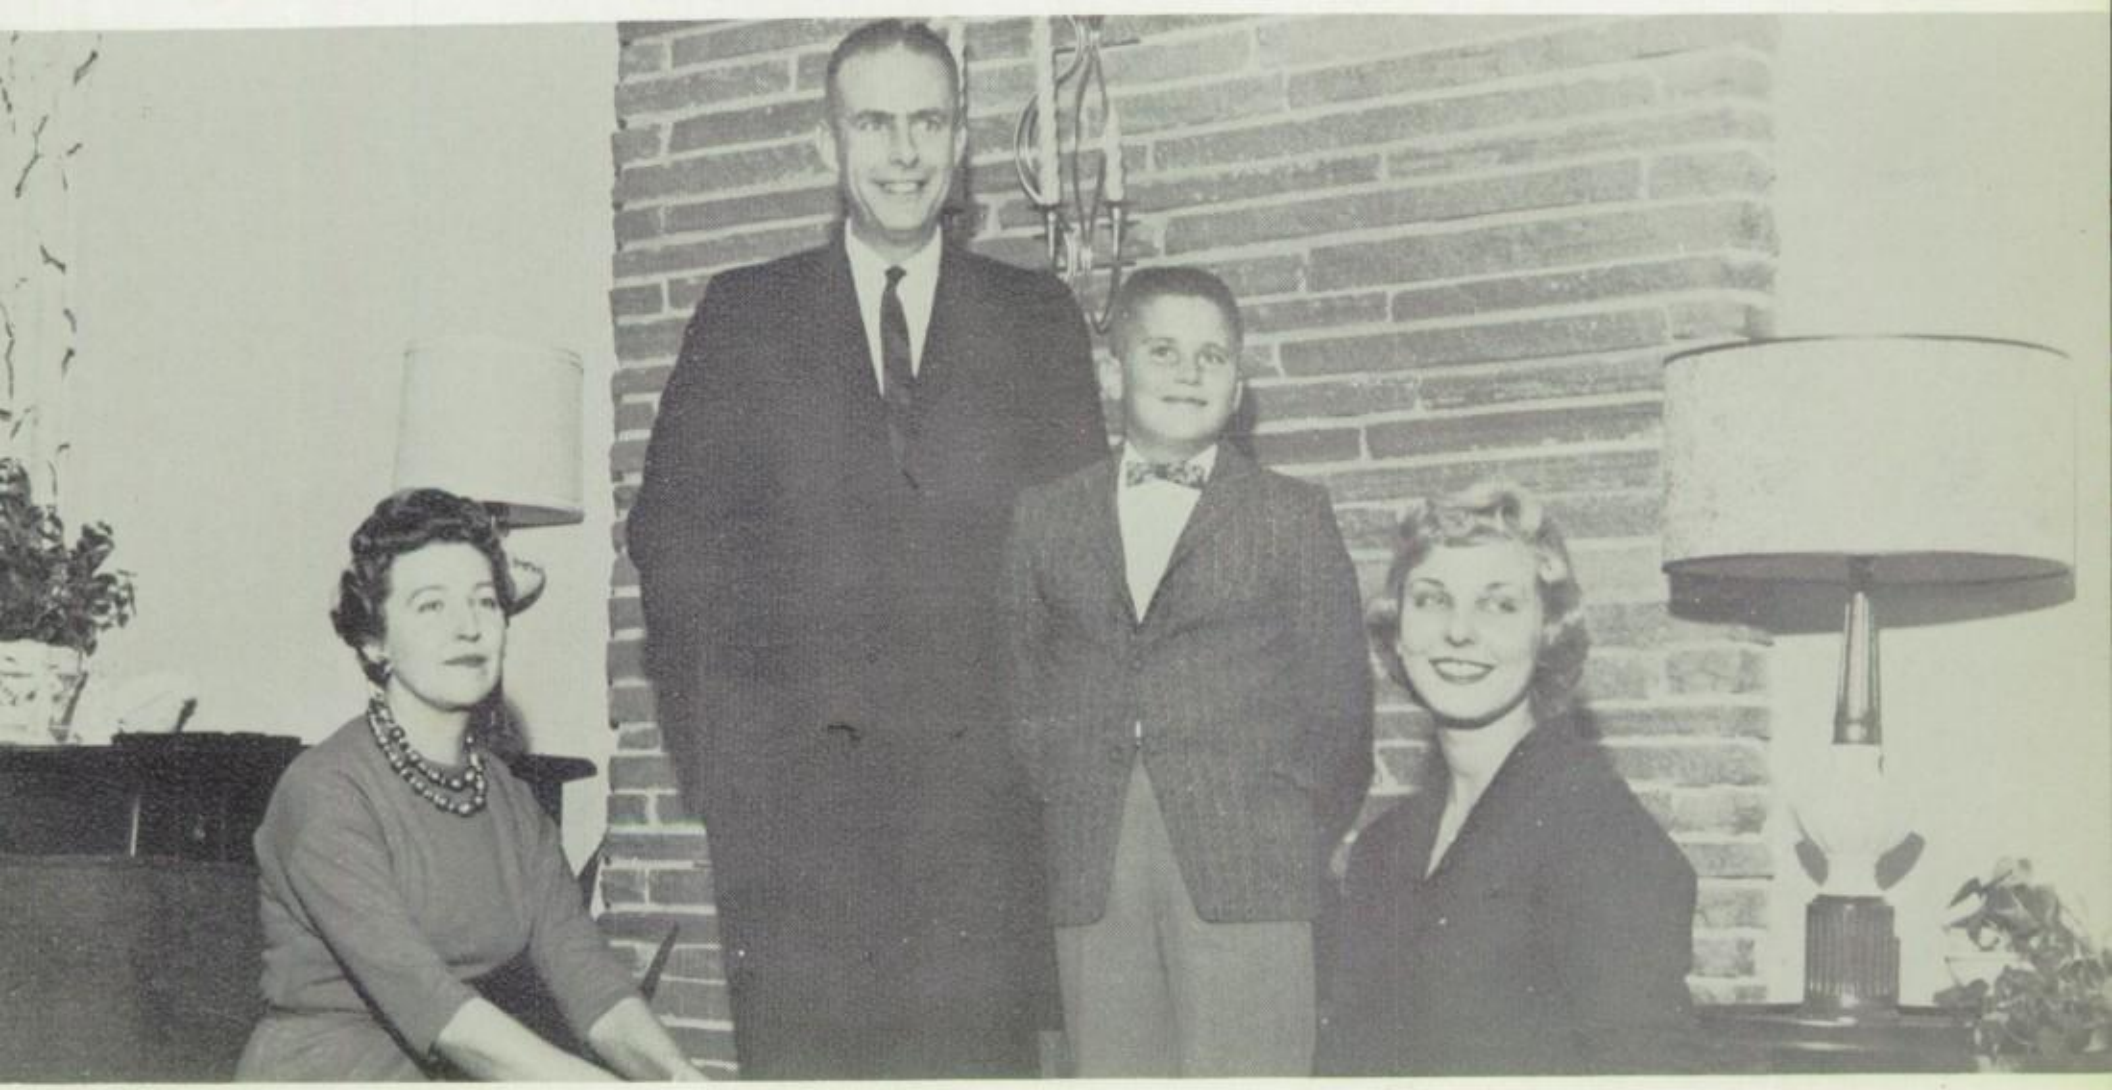
He had lunch with the Rotary Club members and returned to his office.

Before he should be at the principals' meeting, there was time to eliminate some of the never-ending correspondence which accompanied his work. Another telephone call interrupted his lettter writing. It was a request for him to speak at one of the grade school P.T.A. meetings. He made a notation on the calendar on his desk about the speaking engagement and finished the letter with which he was busy.

He was called out of the principals' meeting later that afternoon. The interruption was a request to borrow one of the school's route busses to bring a group of military men into town from the airport. He gave his consent and returned to the meeting. The principals had been in the midst of a discussion concerning the budget for the elementary school system. They resumed where they had been before the interruption.

When the principals' meeting terminated, the doctor returned to his office. He talked with a salesman of janitorial supplies, finished some paper work, and turned his auto toward home and the evening meal.

After he had eaten supper, he relaxed for a short time. He spoke with his wife concerning their daughter who was a freshman at college. The sun had set as he returned to the school building to attend the meeting of the Board of Education.



Dr. Leroy Hood, with his wife, Mrs. Hood, and children, Lee and Carolyn, pause for a few minutes before the fireplace in their home.

## Food For Knowledge

The nutrients are the lifeline of adulthood for the tree just as the faculty members are the inspiration and provide the nutrition for the students. Upon the faculty falls the primary responsibility of encouraging individualism, fair play, and the belief in the democratic ideal which is so important in the vast world struggle in which we are involved. Theirs are the gifts of experience, of knowledge, of integrity, and of understanding that are indeed the nutrients of creativity. As young adults who have blossomed into mature individuals, the students serve credit which is due the educators, our teachers.

# Students Must Develop

As a tree reaches outward and upward with its branches to obtain the materials necessary for its growth and development, so must a student reach outward and upward to obtain the full development of mind and body.

A tree must have proper development if it is to fulfill its mission in life. The student must also have proper development if he is to be of benefit to mankind in the years that lie ahead. He who has the proper attitude and uses the materials supplied by nature and society will become the individual who can think critically and can be of use to the society in which he is developed.

SOPHOMORE OFFICERS: Bryce Roderick, President; Kenneth Bauer, Vice-President; Roger Stoner, Secretary-Treasurer; Sheré Shaw, Student Council; Jerry Christensen, Student Council.

# Beginning A Greater Maturity

Webster defines a seedling as a plant grown from a seed, perhaps a young tree. Sophomores may be likened to seedlings, because, like seedlings, they are beginning to acquire a greater wisdom and maturity; in essence, it is their period of growth.

At the beginning of the year, the sophomores, as seedlings, were unprepared to face the trials of high school life.

Throughout the year these immature seedlings have been guided with thought and care so that they would be prepared to face whatever may lie ahead in the coming years.

As sophomores, these students look forward to their senior year when they will also be trees of maturity.

# Advancing in a Greater Maturity

The juniors have reached the climax of another year. This year, they have been required to make more difficult decisions which will have an important bearing on the road ahead.

These juniors may be likened to a not yet mature tree growing on the hillside. They have not reached full maturity as high school students. They have not yet experienced many of the trials and the difficulties which they must meet if they are to gain this maturity.

The juniors look forward with enthusiasm to their senior year during which time they will have an opportunity to become more responsible, more trustworthy adults. Some may fail because they are unable to endure a storm. The decisions which the juniors make are up to them. May each one reach his goal.

# Nearing a Greater Maturity

The seniors have reached the long-awaited goal of their high school career---their final year. As the stalwart tree on the top of the mountain has weathered all of nature's ways, so the seniors have weathered all of the storms and the calms of high school life. They have grown steadfast as their roots have penetrated deep into the fertile soil of learning, and they have benefited as they partook of the wisdom which has been accumulated through the ages.

Theirs is the opportunity to gain even more wisdom as their interests widen to take in new fields of knowledge. Each person is endowed with a fundamental knowledge which is his to nurture and guide to the best of his ability throughout his life.

# Kayettes

One of the organizations for girls in Garden City High School is Kayettes. This group does much for the school and for the community as they carry out their numerous projects. The Kayettes took Thanksgiving baskets to the needy and sent contributions to CARE. By taking time to have a party for underprivileged children at Christmas, the Kayettes again gave of themselves.

The group entertained the District Kay-Kayette Conference in October, at which time Sydnie Bowling, Garden City, President of the district organization, presided.

# Are Active

Kayette members helped to provide fellowship among the girls throughout the school year. The caroling party was one of the best examples of this, for the girls caroled for shut-ins. This was most rewarding, since these were the people who are often neglected. In the spring there was a tea for senior girls, and a previous event was the Mother-Daughter Banquet. One of the later events was sponsoring the Easter assembly.

# Key Club

The Key Club, an organization sponsored by the local Kiwanis Club, is a group of boys interested in service to the school and community.

The members began their work by helping the Kiwanians in selling peanuts. Again, in October, the Key Club's Officers' Training Conference was the responsibility of the local group. Another project of the year was the preparation of a Thanksgiving basket of food for a needy family.

# Staff Members Plan New Book

Creating a new and different yearbook is like pruning a tree. One starts with very little; then, through continuous hard work, patience, and time, one finds that the endeavor begins to grow into something impressive and overwhelming. With a desire to create an entirely different type of yearbook, the staff of 1960-1961 took it upon themselves to accomplish this, and the one hundred fifteen members have worked many hours in trying to reach this goal.

Staff members discuss plans with Mr. Washam, yearbook representative.

## Future

"We are the builders of homes, homes for America's future, homes where truth, love, security, and faith will be realities, not dreams."

The Future Homemakers of America have as their goal the betterment of the lives of their families and friends. The many activities in which the girls engage is only one of the ways in which they prepare for their role as future builders of homes.

## Pep Club, Builder Of Spirit

The purpose of the Pep Club is to create school spirit and to back the teams. The members of the Pep Club have fulfilled their responsibilities well this year. By their various skits, "send off," and pep assemblies, they have improved the quality of school spirit.

## Pom-Pon Corps Is New Group

The newly formed Pom-Pon Corps was a welcome addition to the varisty basketball games during the school year. These girls, elected from the ranks of the Pep Club, planned routines using pom-pons in the school colors. They set these to music and presented them at half-time at the varsity games.

# Sugar Beet Records Events

The school paper, the Sugar Beet, has been published every two weeks by members of the journalism class.

The issues have contained articles written by the principal, articles written in a humorous vein, and news about social events, sports, and other happenings of school-wide interest.

Members of the staff have promoted an interest in creative writing and have published two unusual editions which have contained original selections of students. These special editions were completed in December and in the spring.

# Student Council Has Influence

The Student Council is the most influential bodies within the branches of the high school. This Council, made up of elected representatives from the various classes and organizations, carried out a wide and varied range of activities during the school year. Council duties ranged from sponsoring dances to earning money for the foreign exchange students. This group of leaders is held in high esteem for the leadership which it has given to Garden City High School.

## French Club Has An Active Year

The French Club has completed another year of activities during which time they learned more about the French customs. Throughout the year they had projects which added to each member's school life. Included in the activities was a dart throw at the high school carnival, a Christmas party, and caroling in the halls.

The purpose of the French Club is to give each member a deeper appreciation of the French people, their customs and their language. While striving to accomplish these goals, the members have tried to help the student body to become better acquainted with French life.

# Girls Render Service

Cheering the aged people and patients in the hospitals and in the rest homes was the goal of the members of the Junior Red Cross.

The members strived to reach this goal by taking favors to the patients during holiday seasons and at other special times. The girls of the Junior Red Cross group made over 150 nutcups and other favors for each occasion.

The girls carried out the Thanksgiving theme by making horns of plenty of construction paper and attaching them to nutcups filled with holiday goodies.

Candles made of gum drops, life savers, and birthday candles were the favors for the Christmas season; little snowmen depicted the spirit of the month of January.

Members of the Junior Red Cross will long remember the pleased and grateful expressions upon the wrinkled faces of the elderly and the invalid; for the girls knew that they had helped to give those persons a bright spot in one or more of their lonely days.

Junior Red Cross girls remember those who are shut in.

# Youth Council Reaches For Great Heights

During the past months of the school year, an interdenominational youth group, known as the Youth Council, has been hard at work. Twice as many youth groups have participated in the Council this year.

One of the first projects of the year was a chili supper. At the dedication of the Christmas scenes in Stevens Park each of the youth groups of the participating Churches was represented. The highlight of the year was the Youth Week Activities, including services in the Little Theater each morning at 7:40 and at 8:40. The Youth Banquets were in the Presbyterian and in the Community Churches. Rev. Delon Hales spoke on the theme of the week, "Into All The World Together."

The closing service of this special week was a union service at the Methodist Church, at which time youth were the only participants. A large crowd of youth and adults attended this service.

The Youth Council has played an important part in the spiritual life of the students and has helped to bring better understanding among the youth of Garden City.

Leora Martin, Vice-President; Mary Dale, Secretary-Treasurer; and Ruth Wagner, President; make plans for Youth Week Activities.

Senior high students enjoyed a banquet at the Presbyterian Church as a part of the Youth Week Observance.

Cheryl,
Here's to a real honest and
sincere girl. Now, your a
real brain and a lot of
fun in chemistry. Thanks
for helping me out all my-
self and everything I did
you all the success in life
and I think you will achieve
it. I hope you have a lot
of fun this summer, Cheryl.
I think you are one of the nicest
and sweetest girls I know.
Good luck
always,
Janice

# Orchestra Has Active Year

The Garden City High School String Symphony continues to gain recognition throughout the state. In their special programs, including the "Pop" Concert, this group of talented young people, under the direction of Douglas Overland, has provided hours of enjoyment for many people. Another highlight of the year was participation in the annual Western Kansas Orchestra Festival. Again, the group traveled with the band in making a trip in the spring. The group presented several concerts during the trip, and these brought the orchestra members toward the close of an active year.

Always able to find new horizons in the world of music, each member will later look back and will be grateful for having had an opportunity to participate with this group of musicians.

# Band Enjoys Successful Year

The Garden City High School Concert Band, under the direction of Don Threlkeld, has continued its growth and fine musicianship this year. The band members presented varied concerts. The first was the Big Top Circus Concert, conducted by Merle Evans, of the famous Ringling Brothers, Barnum and Bailey Circus Band. The highlight of all concerts which the band members presented was the Winter Concert. The success of the musical year for the band reached its climax when the members made their annual spring tour.

The band has helped to promote good music and musicianship in the school and in the community.

# Honor Symphony: Highlight Of Music

The Honor Symphony, composed of outstanding musicians from both the high school and the junior high school musical groups, has proved itself to be a high light of music. The members could be heard tuning their instruments during the early morning hours. Directed by Douglas Overland and Donald Threlkeld, the group rehearsed long hours in preparation for the presentation of a mid-winter concert. A spring tour climaxed the Symphony's year of achievement.

The two string quartets, whose members were selected from the ranks of the orchestra, have provided enjoyable and entertaining music for various civic clubs.

LEFT TO RIGHT: Leora Martin, First Violin; Saundra Steele, Second Violin; Judy Hamman, Cello; Saundra Sims, Viola.

# The Builders of School Spirit

The Marching Band provided football fans with many memorable half-time shows during the school year. Its appearance in various parades drew high praise for its precision and playing ability. This organization brought recognition to both the school and the community.

The Pep Band provided the "vitamins" which helped promote school spirit for the Garden City Buffaloes. They played at all of the home basketball games and during the school's pep assemblies. For their part in bringing about better school spirit, they are to be congratulated.

# "Say It With Music"

The Robed Choir, under the guidance of Julius Hultquist, continued to provide enjoyment and satisfaction for its members and for many others who heard the programs which the Choir presented.

The two performances which the members will probably remember best were the annual Christmas Program, at which time over five hundred junior high, senior high, and junior college students participated, and the "Say It With Music" Concert.

Special appearances by the members of the Choir and their yearly spring concert gave members additional experiences in the world of music.

# Musical Groups Provide Entertainment

As in preceding years, the Blue Notes have continued to receive praise for their fine performances. Under the direction of Julius Hultquist, these nine girls have appeared in various programs and before a number of civic groups.

The Boys' Quartet has provided enjoyment for many in their appearances during this past year. They have sung for civic clubs. at dances, at parties, and in other special programs. These four boys have proved that they are worthy of the name, "Music Masters."

BOYS' QUARTET: Left to Right, Linda Ellington, Accompanist; Richard Masoner, Robert Hopkins, Rhea Foster, Mike Johnson.

# Ensembles Provide Entertainment

During the school year, the Swing Choir, composed of selected members of the Robed Choir, has proved that quality, not quantity, is the most important aspect of any musical organization. The group performed at several civic and school functions; they have developed into a fine singing group.

Selected from the ranks of the Mixed Chorus, both the Boys' and the Girls' Octets have provided much listening enjoyment for those who have heard them.

GIRLS' OCTET: Nancy Pierce, Kathy Smith, Wynn McAfee, Becky Rogers, Donna Selover, Accompanist; Donna Stillwell, Sandra Neely, Jeanne Philips, Pauline Block.

# Mixed Chorus Enjoys Fine Year

The Sophomore Class can be proud of the groups which represent it in the Music Department. They appeared several times, including their part in the "Say It With Music" and the Christmas programs. Singing in the Mixed Chorus is excellent training and preparation for participation in the Robed Choir. The members of the Mixed Chorus have shown their ability to sing well.

# Buffs Take Second

The 1960 Football squad tied with Great Bend and Larned for second place in the West Central Kansas League. The Buffaloes played larger and more experienced teams and won seven of their nine games.

The success of this year's team was the result of hard work and long hours which the players put in at practice. This was shown by the number of boys who received honors: Mike Johnson was chosen as a halfback on the All W.C.K.L. First Team; Patrick Keller made second string. Charles Hacker, Winston Scott, Richard Wallace, Leon Largent, Larry Ratzlaff, James Webb, Dennis Kleysteuber, Douglas Sage, and Richard Masoner received honorable mention.

# Queen Kathleen

Clifford Hope Auditorium was the scene of the colorful crowning of the 1960-1961 Football Homecoming Queen, Kathleen Sughrue. The attendants were escorted down the aisles under a spotlight to the velvet-draped stage while the orchestra played the accompaniment. The senior co-captains, Winston Scott and Charles Hacker, escorted the queen to the stage; after the crowning ceremonies, Kathleen began her reign. That evening the Buffs trounced Larned in an exciting game which was preceded by a snake dance, bonfire, and pep rally. During the half-time the band presented a show of precision marching. Queen Kathleen's reign ended after the Homecoming Dance in Alta Brown Auditorium.

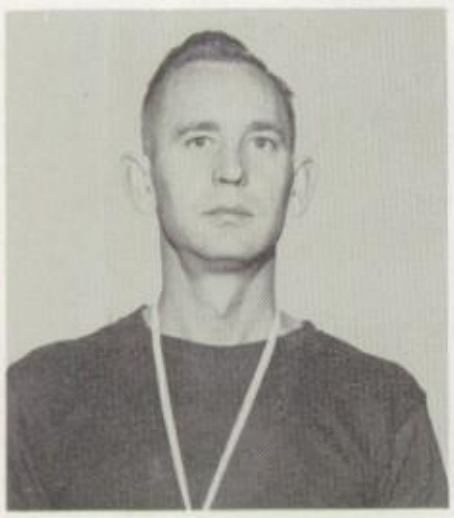
# Buff Cagers Meet Rough Competition



DAVE CRAFT

Buff cagers met very tough competition in the W.C.K.L. League during the past season. They were greatly hampered by inexperienced players; nearly all were juniors with only limited "A" team experience. Highlights of the season were wins over Dodge City. The Buffaloes were coached by Dave Craft, Curtis Shipley, and Ray Hiner.

# Queen Of Hearts

"Fifteen rahs for the royalty!" shouted the excited cheerleaders. With that, the members of Garden City High School stood and cheered Queen Patty Leopold, the 1961 Basketball Homecoming Queen, as she sat on her throne. The students were also cheering the senior attendants, Judy Swartley and Sydnie Bowling, the junior attendant, Pam Marshall, and the sophomore attendant, Judy Oeding.

Queen Patty reigned over the game in which the Pratt Greenbacks defeated the Garden City Buffaloes. The defeat, however, did not dampen the spirits of the participants at the dance at Alta Brown Auditorium, which was decorated to carry out the theme, "Hearts and Flowers."

FRONT ROW: Left to Right, James Oeding, George Rice, Gail Lee, Larry Scott, Joe Hermocillo, Danny Dunham, John Shobe, Leroy Leighty, Gene Newberry, Randy Thies, Steve Bennett, Terry Billinger, William Tolbert. # Buff Grapplers Very Successful

The Garden City bruisers managed to grapple their way through the most successful season in recent years. The top twelve were strengthened greatly by a liberal sprinkling of seasoned wrestlers. Among the top twelve were eight seniors, each bolstered by at least two years of experience. The tournament record was the best in the history of the wrestling team. The team sent ten wrestlers to the regional meet and placed seventh there. Dennis Kleysteuber, Mark Scott, and Winston Scott participated in the state meet at Colby.

The Buffs faced a very tough season this year, but they were slated to make a good showing. The Buff potential was greatly strengthened by the return of several lettermen. # Robert

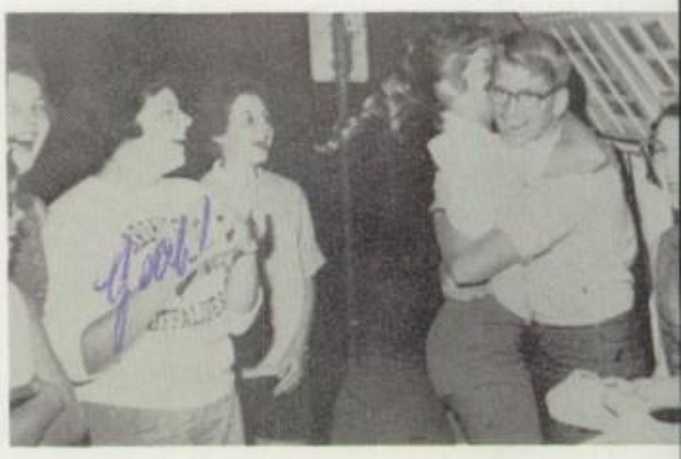
Robert Raynesford

As we have shared Robert's experiences, we are proud to have had him as our foreign exchange student to Germany during the summer of 1960.

He brought to us rich experiences of his travels and of his German family; he also helped us to understand our foreign neighbors.

To him go our congratulations.

Welcome home, Robert!



The German cherry picker.

Germany, here I come!

Bienviendo, Marcelo!

Go! Fight! Win! Buffaloes!

Reminiscing in friendship.

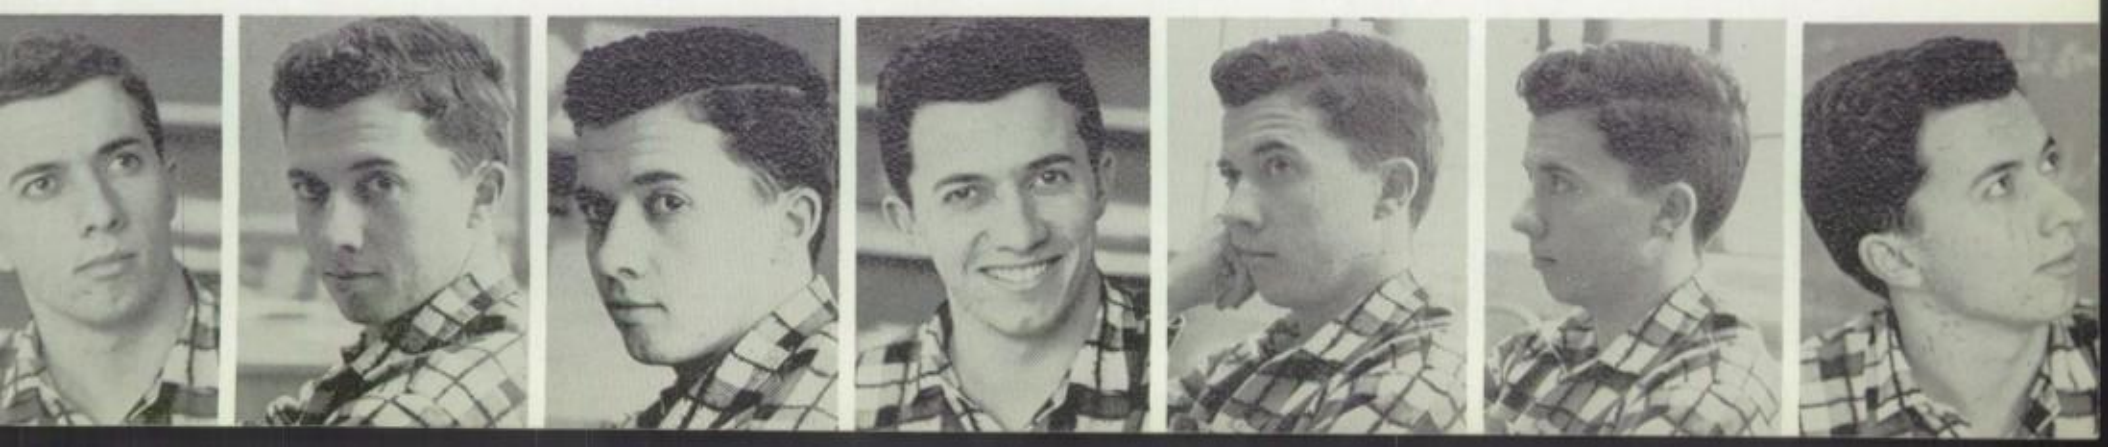
Marcelo Huergo

# Marcelo

The life of our Garden City High School students has been greatly enriched since this small package of "dynamite" from Argentina came to live with us.

Marcelo has shown us the meaning of true friendship and how to love our neighbors.

To him we have extended the "welcome hand."



The students very much appreciate the efforts of these ladies in the preparation of meals: Mabel Conley, Peggy Nail, Lydia Quint, Nina Stewart.

The students are also appreciative of the cheerful service which these men give in the keeping of the building: Rice Hebrew, Carl Gustafson, Lee White, Dave Unruh.

# Diet of Dates

FRONT ROW: Left to Right, Gretchen Lockwood, Pete Mitschler, Peggy Smith, Mary Dale, SuzAnn White, Mary Regan, Rita Pickett, Becky Crook, Carole Cowan, Patty Sughrue. BACK ROW: Max Goldsberry, Director, James Keim, Dennis Petrus, Jerry Horning, Jack Curtis, Henry Bentrup, Lanny Pauley, Ronald Smith, Lanny Jones, Jack Alexander, Jack Penny, Philip Porter, John Roper.

"Diet of Dates," a delightful three-act comedy, was presented by members of the Junior Class, under the capable direction of Max Goldsberry. When those who participated heard the ringing applause of the large audience who witnessed the evening performance, they felt well paid for their early morning rehearsals and for their long hours of work on scenery and costumes.

The plot concerned a foreign exchange student in the United States. He lived with a typical American family (Henry Bentrup and Mary Dale) and their three children, Betty, Bill, and Tom (Patty Sughrue, Pete Mitschler, and Jack Alexander.)

Sidi Hazim El Saud Ben Ahmad (Lanny Pauley) just happened to be a royal prince from the kingdom of Saudi Agra; he managed to get himself in and out of many hilarious predicaments, but not without the help of his American friends and schoolmates.

The cast and all others who had a part in the production are to be congratulated for their performance.

For what could Sidi Hazim El Saud Ben Ahmad be pleading?

Last-minute touch-ups for members of the cast!

## A Difficult Job

One of the most important and influential positions in the high school is that of Student Council President. This organization represents the entire student body; therefore the elected head has the difficult task of guiding Stuco--as it is commonly called--to decisions which will be of benefit to each and every student. It is for a job well done that we, the members of the Buffalo Staff, wish to commend Bob Jones, who has served as Student Council President during the school year, 1960-1961.

Susan Vance

Dear Sue—
It sure has been nice getting to know you this year. You are such a nice person. I could never have put the work into Chemistry that you did. You are a swell kid with high ideals. Keep them like and take good care of yourself for me.
Best of luck
Susan

# Distinguished Students

The Distinguished Service Awards, given for the first time this year, were presented to Susan Vance and Bob Jones. These awards, given by the Junior Chamber of Commerce, honored the outstanding senior boy and senior girl who have contributed the most to their school and to their community.

These two honored seniors were chosen by fellow members of the senior class. Each received engraved watches and a plaque at the Jaycees Distinguished Service Award Banquet, January 18.

# A Period Of Growth

Just as trees stretch out their branches to absorb the needed sunlight and extend their tangled roots to grasp the life-giving nourishment from the earth, we pursued--and achieved--our high school goals of learning and personal development.

As graduating seniors of Garden City High School, we look back on the experiences of the past three years with mixed emotions.

Our sophomore year, a year of orientation, was climaxed by the production and presentation of two one-act plays.

As juniors, we enjoyed some of the best days of our high school careers. This came to a thrilling close as we spent many hours in the development of "Starry Mist."

As seniors, our high school days came to an end, and these, along with numerous other activities, became only cherished memories to be recalled in future moments.

With this in mind, we, the editors of the 1960-1961 Buffalo, hope that this book will serve as a pleasant reminder to all who look back upon their days in Garden City High School.

WALSWORTH
Marceline, Mo., U. S. A.

Cheryl,

I don't know where to begin, we have had so much fun together, and I hope there is lots more to come. You are a real sharp girl, and will go far in life. Remember all of our fun, bowling, going for cokes, FRENCH, government and everything else, We have had our little disagreements but that is natural. Always remember our little trip to Scott on the truck. Also remember our little battles with Bernadine, all of our ~~off~~ crazy conversations and the such. All of the trouble that we have given Mr. Ruggles. and many what he isn't in for next year. It has been a blast. Remember when we made posters for Darlene. Although we didn't get any thanks it gave us ~~so~~ a saftification, working on the Prom, although we didn't go. It has been such fun to know you. Although we haven't been the most popular kids I bet we've had as much fun and look at us we haven't gotten into any trouble either like some of the popular kids have. I wish they would learn but it doesn't look as though they will!

No matter what you say you are cute! I know that you will go far because of your personality and smartness continue to be as sweet as you are and you will go far Rainbow Was been fun Remember how mad we get at everyone concerned.

You have been the greatest friend a girl could have. so the best of luck to the best girl in the world (and I mean it)

With love,

love ya

Liz
